

Be Involved!

Become a member of the Board of Directors with Pathways to Independence!

Pathways to Independence is a non-profit agency providing assisted community living services and supports to people with a brain injury or a developmental disability who may also have complex needs. We promote independent, active lifestyles so the people we support can live their best life in their community.

Pathways Board of Directors comprises leaders from all sectors who are dedicated to our vision and mission. Serving on the Board of Directors is an extraordinary opportunity for a person who is passionate about leadership, governance, and making a difference. If you have expertise and experience from business, IT, legal, financial, Human or Health services, please consider joining our Board of Directors.

If you are interested in becoming a Board member please complete the [application form](#) found on our website, www.pathwaysind.com and email the application and your resume to Darlene McKenny, CEO at darlenem@pathwaysind.com by April 28, 2022.
